The Federal Employees Health Benefits (FEHB) Program

* What is the FEHB Program? FEHB provides comprehensive health insurance. You can choose from fee-for-service (FFS) plans, health maintenance organizations (HMOs), consumer-driven health plans (CDHPs) and high deductible health plans (HDHPs). Find more information on types of plans at [www.opm.gov/insure/health/planinfo/types.asp](http://www.opm.gov/insure/health/planinfo/types.asp).

* When can I enroll? New employees and employees who are newly eligible, may enroll within 60 days of becoming eligible.

* How do I enroll? Some agencies use the Health Benefits Election Form (SF 2809) while others use an online self-service system such as Employee Express, MyPay, Employee Personal Page, EBIS, etc. Contact your HR office for details.

* How much do I pay? What you pay is based on the plan and option you choose. Generally, premiums are shared by you and your Federal agency. Premiums vary by plan but generally you pay about 30% and your agency pays about 70%.

You can find health insurance premiums in these materials from your HR office:
- health plan brochures
- the Guide to Federal Benefits

These materials are also available on our website at [www.opm.gov/insure/health](http://www.opm.gov/insure/health)

* Can I pay my premiums pre-tax? Paying premiums pre-tax (known as premium conversion) allows Federal employees to use pre-tax dollars to pay premiums for the FEHB Program. You will automatically be under premium conversion unless you elect to waive it. Federal retirees are not eligible to pay premiums with pre-tax dollars.

* What enrollment restrictions will I have under premium conversion? You will not be allowed to change your enrollment to Self Only or cancel outside of Open Season or experiencing an FEHB-specific QLE.

* What are some important things I should know?
  - There are no pre-existing condition limitations, even if you change plans;
  - Each plan contracts with doctors and hospitals (known as a provider network). Your doctor may participate in one or more provider networks;
  - You will reduce your out-of-pocket costs by visiting doctors and hospitals who contract with your plan. Visit your plan’s website to determine
which providers participate in the plan’s network;

- FEHB coverage automatically continues each year; you do not have to reenroll;
- If you are enrolled in the Federal Flexible Spending Account Program, you may submit your health benefits copayments, coinsurance and deductibles as eligible expenses for your FSA account.

* Are there resources I can use to help me find the right health plan? Yes, the list of resources below can help you. You can find these on our website at www.opm.gov/insure/health
