

National Finance Center Customer Notification

T&A Point of Contact Information for Potential Government Shutdown

Dear Customer:

In preparation for a potential government shutdown, the National Finance Center (NFC) is seeking your assistance to obtain pertinent information about your respective agency Time and Attendance (T&A) practices. This information will be helpful to ensure T&As are processed in a timely manner.

Identify Points of Contact (POC) from your respective agency that will be available to answer T&A related questions. Please provide the following information:

- Name
- Phone Number (desk and Government cell number if applicable)
- Email Address

POCs must be listed on TMGT, Table 063 for your respective agency. Please send Table 063 updates to NFC.TMGT@nfc.usda.gov, if your designated representative is not currently listed on Table 63.

During this time, NFC will have limited resources; therefore, agencies should confirm transmitted T&A files have been received by NFC. Additionally, agencies should review the Rejected T&A Report on the Reporting Center or applicable CULPRT reports for rejected T&As.

Federal employees with questions concerning this notification should contact their Servicing Personnel Office. Authorized agency representatives with questions concerning this notification should contact NFC's Contact Center at either 1-855-632- 4468; via email to NFCcontactcenter@nfc.usda.gov or via the Remedy Requestor Console.
