

National Finance Center Customer Notification

Update to EPP to Include Combined Federal Campaign's (CFC) Give Back Link

June 22, 2018

Dear Customer:

The National Finance Center has completed Project # 34535 to add the Give Back Link to EPP. The CFC raises millions of dollars each year through pledges made during the campaign season. These pledges support eligible non-profit organizations that provide health and human service benefits throughout the world.

In order to streamline donor pledging, effective PP12, the following message is displayed on the Employee Personal Page (EPP) log in page under News and on the News and Announcements page after log in:

The Employee Personal Page (EPP) has been modified to include the link for the CFC donor pledging system for employees interested in workplace giving. Visit cfcgiving.opm.gov.
