

## National Finance Center Customer Notification

# Announcing Upcoming EPIC Training

November 27, 2018

The National Finance Center's (NFC) Training and Communications Branch (TCB) is now accepting enrollment for the instructor-led Entry Processing Inquiry System (EPIC) training course. The course will take place January 15-17, 2019, at the USDA Client Services Office (CSO) located in Washington D.C. This 3-day class will begin each day at 8:30 a.m. EST, concluding on January 17, 2019.

This course will equip participants with the appropriate knowledge, skills, and ability to access and perform essential functions within the EPIC application. Participants will also gain insight into how EPIC relates to other NFC Payroll, Personnel, and Inquiry Systems. Interested individuals are encouraged to register.

To register, email your completed registration form including payment information, the ALC and TAS numbers on the bottom of the form, and SF182 to the NFC Training Mailbox at [nfc.training@nfc.usda.gov](mailto:nfc.training@nfc.usda.gov).
