

National Finance Center Customer Notification

Fiscal Year 2021 Accounting

May 29, 2020

Reference Number: NFC-1590091303

Dear Customer:

The National Finance Center (NFC) would like to remind all non-USDA Agencies to provide a formal request as soon as possible if they are contemplating changes to their accounting format or Management Account Structure Codes System (MASC) validation criteria for Fiscal Year 2021. All accounting format or MASC validation criteria changes should be sent to nfc.gesdrequest@usda.gov following the standard Software Change Request process. As these requests will require analysis for possible system modifications, please submit to the NFC no later than **July 10, 2020**, to ensure implementation for the new fiscal year.

Please use the attached form “*CHANGES FOR MASC - TABLE 005 & 006*” to submit all updates and deletions for MASC Tables 005 and 006. The completed form should be sent to PSCRS@usda.gov.

If an agency has updates or deletions for MASC Table AD-758, that information should be sent to OPAC@usda.gov.

Please copy Chris Adoue at chris.adoue@usda.gov on all requests. Should you have any questions concerning the MASC Table 005, MASC Table 006 or MASC AD-758, you may email Chris for assistance.

Authorized Agency representatives with questions concerning this notification should contact the National Contact Center at 1-855-632-4468 or the ServiceNow Customer Service Portal.
