OPM Pay Tables Moved to Production in PP06

April 3, 2019

Reference Number: NFC-1554141702

Dear Customer:

The President signed the Executive Order Number 13866 for the pay increase and the National Finance Center (NFC) will start processing with Pay Period (PP) 07.

We received formal guidance and the new pay tables for Calendar Year (CY) 2019 last week. As a result, the new pay tables were migrated to the production environment over the weekend. Please note the following scenarios:

- Actions applied for PP06 as of Friday, March 29, 2019, will reflect the old pay rates.
- Actions entered during PP06 that have not applied by Friday, March 29, 2019, will edit in PINE against the updated salary tables (for 2019) and fall into suspense. These actions will need to have the salary information updated to reflect the 2019 rates in order to clear the suspense edits and apply.
