* All BI modules include one output for both data load and system assurance status, except for the ULO Detail and Spending Detail (separated into two outputs due to long processing times).

For real-time updates of executing processes, please access the BI Dashboard via the FMMI Portal ([https://portal.fms.usda.gov](https://portal.fms.usda.gov)); select General Ledger Management > BOBJ General Ledger Management Reports > Business Intelligence Dashboard; then click the BI O&M Status tab.

If there are additional BI updates after 9 a.m. CT, the information will be available on the BI Dashboard.
