What is your role in OCFO/FMS? I am the Supervisory Systems Accountant of the Customer Support Branch Spending and Reporting Section, providing resolutions in FMMI for reporting, accounts payable, and general ledger related activity.

What is your role on the FIET Project? I serve as the USDA Functional Lead working with consultants and FMS SMEs to ensure the S/4HANA FMMI system meets the functional needs of USDA users.

What are you most excited about regarding FIET or S/4HANA? I am excited to be a part of an amazing FIET project team and for USDA to be the first federal agency to migrate into the SAP S/4HANA platform. I am also very excited about Fiori, the new user interface, and the possibility for future innovation with Fiori apps for our USDA agencies.

What are you currently reading/watching, and are you enjoying it? I am currently reading Colleen Coble's *Aloha Reef* series, and I recently finished James Patterson's *Sundays at Tiffany's* and *Suzanne's Diary for Nicholas*. I'm looking forward to starting the Gabrielle Meyers's historical fiction series, *Timeless*.

Barbara with her kids and grandkids

What is your favorite childhood memory? I loved driving out to the country to visit my grandparents, where we had huge family gatherings, ran through the corn fields, and rode horses. I have great memories with my siblings in the back seat of the car in a makeshift bed of quilts. We had the best times with my dad's 11 siblings and their families, hanging out on the porches and yard playing music and singing. My hope is to restore the family home for my grandchildren to create new memories.
