This bulletin announces the availability of the PC-TRVL per diem rate update through the National Finance Center's (NFC) home page ([www.nfc.usda.gov](http://www.nfc.usda.gov)) on the Internet. In addition to updating TRVL per diem rates, PC-TRVL users must update the Standard Continental United States (CONUS) meals and incidental expenses (M&IE) rate in the PC-TRVL setup file. Instructions are provided below. This bulletin is issued in accordance with Federal Travel Regulation Per Diem Bulletin 04-1 which announced a \$1 increase in incidental expenses in all per diem localities, including Standard CONUS. The rate change is effective for travel on or after October 1, 2003.
