

**FMS CPAIS Personal Property v. 1.13 Release Results**  
**January 2020**

*All CRs were implemented successfully unless otherwise noted.*

<b>Change Request (Enhancements)</b>	<b>Description</b>	<b>Agency</b>	<b>Release Results</b>
ENHC0010183	Modify the Bulletin Board to include the Transfer to Agency and Transfer to Org data for Pending Transfer Action messages. Also, modify the Bulletin Board to include the Agency and Org of the asset record when a record is specified in a message.	ALL	01/08/2020
ENHC0010184	Create an option on the Main Menu that allow users to access the Bulletin Board. This option will be accessed via the System Management -> Forms submenu.	ALL	01/08/2020
ENHC0010185	Modify the property form so Federal Supply Classification Code (FSC/BOC) combination of BOC 3116, 3152, or 3160 and FSC 7010 or 7030 will enable the Software tab. On the Software tab, the Application Name, the Current Version No, the Application Use, and Staff Owner fields will be mandatory.  Also, modify the Property form so FSC/BOC combination of BOC 3141 or 3190 and FSC 7010 or 7030 will enable the Software tab, but the Application Name, Current Version No, Application Use, and Staff Owner fields will not be mandatory on the Software tab.	ALL	01/08/2020

**FMS CPAIS Personal Property v. 1.13 Release Results  
January 2020**

*All CRs were implemented successfully unless otherwise noted*

<b>Change Request (Defects)</b>	<b>Description</b>	<b>Agency</b>	<b>Release Results</b>
DFCT0010121	When the Notes form is accessed from the Property form, users without edit access are greeted with a "You can only view the notes" message box. Modify the Notes form to prevent the "You can only view the notes" message box from appearing when a profile without edit privileges opens the Notes form. Also ensure that user access is verified when an action such as query and data entry is attempted.	ALL	01/08/2020
DFCT0010132	Modify the PMO and APO Inventory Status Report to update the column name "APO NANE" to "APO NAME."	ALL	01/08/2020
DFCT0010133	<p>Currently, the History forms on the Property form and the Staging Area Records form are not picking up all the details when a field is changed. Modify the History forms on the Property and the Staging Area Records forms to make sure that the field names are recorded and displayed accurately when a field change is made.</p> <p>Additionally, the Property History form displays the record type field as "PROCUREMENT DOCUMENT TYPE" instead of "TYPE" in the Field value. Modify the Property History form to change the Field value from "PROCUREMENT DOCUMENT TYPE" TO "TYPE" when it records a record type change.</p>	ALL	01/08/2020
