

On September 11, 2013, the following changes were implemented into the CPAIS Real Property Application:

A. Form Changes

- The field title on the Explorer: FRPP Assets/ Owned and Leased Building tabs has been changed from “Gross Sqft” to “Square Feet”.
- The column title “Asset Value” on the Explorer: FRPP Assets form Owned Buildings and Owned Other Structures tabs was changed to “Replacement Value”.
- The “Mission Dependency” field was removed from the Owned/Leased Buildings, Land, and Other Structure tabs.
- The new field “Repair Needs” was positioned to the right of the existing Replacement Value field on the Explorer: FRPP Assets for – Owned Buildings, and Structures tabs.
- The new field “Repair Needs” will be populated with the reported asset’s current year Deferred Maintenance.
- The “Net Proceeds” field was removed from the Explorer: FRPP Assets form – Disposed tabs.
- The new “Utilization” field was positioned to the right of the existing Utilization % field.
- The new “Utilization” field will be populated with N/A for buildings with the Predominant Usage not equal to Office, Family Housing, Barracks/Dormitories, Laboratories, and Warehouses.
- The new “Utilization” field for Office, Family Housing, Barracks/Dormitories, Laboratories, and Warehouse will be populated with the derived word value (UTILIZED, UNUTILIZED, UNDERUTILIZED) for the Utilization based on the calculated Utilization Rate (%).

B. List of Values (LOV) Changes

- The existing Lease Authority LOV value “Provider of Choice Authority-GSA” was changed to “General Purpose Space-GSA”.

CPAIS Release 2.13 Release Notes

- The new Agency Bureau Codes were added to the existing Using Organization field drop down list. New values were incorporated into the existing LOV order.
