

On May 27, 2011, the following changes were implemented into the CPAIS Real Property Application:

1. **FRPP Data Form** title was changed to **Explorer: FRPP Assets**.
The following form modifications were made:
 - FRPP Data Gaps button label now displays Explorer: FRPP Assets. The hint text states “Launch the FRPP Explorer screen.”
 - The Land Use Tab was deleted and that functionality was combined into the Other Structures and Facilities Tabs (Owned and Leased).
 - Two radio buttons for query purposes: “Query Assets with Data Gaps” and “Query all FRPP Assets.”
2. **Sub-ledger Form** was modified to correctly display buildings in the asset tree. Previously buildings were displayed in the asset tree as bridges for Forest Service orgs 33 and 0301.
3. An edit was placed on the **Predominant Usage field** to ensure that field is not blank when saved. The following forms were modified:
 - **Maintain Property** – Other Structures and Facilities Tab
 - **Owned Property** - Other Structures and Facilities Tab
 - **Explorer Property** - Other Structures and Facilities Tab
4. The **Annual Operating Cost Process** (II annual operating cost) was modified to not calculate the post annual operating cost amounts for agency 11.
5. **Lease Features Discoverer Report** has a new display format and modifications:
 - Report parameter added - Lease Status
 - Report parameters removed - GSA Bureau Code, Leases Expire in Months and Leases without Expiration Date
 - Report data is sorted in ascending order by agency, org, and lease no.
 - The report has a new display format.
6. **Status History Form** (all three tabs) was modified for disposed leased assets:
 - The user must enter the method of disposal
 - The user must enter the disposition value
7. **Discoverer Trans Loaded Report** was modified to include two additional data fields: life and status.
8. **RPA100L Report: Sub ledger Summary** was modified to increase the field size of the subtotal and total fields. The following field lengths were increased: Individual Cap Value, Cap Value subtotal, Cap Value total, Individual Accumulation Depreciation, Accumulation Depreciation subtotal and Accumulation Depreciation total.
