

Data Act Out of Cycle Updates  
January 1 – January 31, 2020

Change Request (ENHC)	Description	Agency	Production Date
ENHC0010139	Add additional prompts for Fiscal Year, Fiscal Period, and Agency Identifier in order to filter the DATA ACT A-C Error report.	ALL	1/10/2020
ENHC0010149	Add Allocation Transfer Agency ID as a prompt for DATA ACT Error and Certification reports.	ALL	1/10/2020
DFCT0010179	Update procedures to:  1. Remove leading/trailing spaces from the FAIN / PIID fields before analysis.  2. Remove documents from repository if the PIID field says "NONDATAACT."	ALL	1/10/2020
DFCT0010120	Deactivate the "Legal Entity Zip Last4" validation rule.	ALL	1/13/2020
DFCT0010223	Improve processing for Data Act FSA files using the following modifications:  1. Currently, the process performs many sequential lookups to reference data. The lookups are changed to do a binary search instead of sequential search.  2. Remove unwanted lookups that process corrections_late_indicator, which is no longer used.	FSA	1/30/2020
