

## FMS Grants Release Information

January 22, 2021

### 1.2. Enhancements

The following enhancements are included in this release:

Change Request	Description	Agency
ENHC0010527	Remove the Funds Pre-Commitment (FPC) requirement for saving agreements in "Draft" status in CRM.	ALL
ENHC0010528	Specify the missing note title for FAS agreements in CRM to inform users of which note is required for further processing.	FAS
ENHC0010529	Allow FAS users to return amendments to Program Assistants or Program Managers in CRM as opposed to the generic "Return" option.	FAS
ENHC0010531	Add email correspondence for request access rejections in Pega to inform agency AGMOs that requests have been rejected along with rejection details.	ALL
ENHC0010532	Add "Publish to Grants.gov" warning message in Pega to prevent users from publishing opportunities to Grants.gov without a synopsis or opportunity package.	ALL
ENHC0010533	Enable copying of existing opportunities in Pega to reduce the manual labor needed in recreating similar opportunities.	ALL
ENHC0010534	Attach PDFs of Pega financial and performance reports to the agreement screen in CRM upon approval of the reports in Pega.	ALL
ENHC0010546	Implement a workbasket solution for internal agency report review in Pega as opposed to individual report assignments.	ALL
ENHC0010547	Remove the ability for APHIS Program Managers to create opportunities in Pega.	APHIS
ENHC0010548	Allow NIFA to edit published opportunities in Pega to avoid cancelling existing opportunities.	NIFA
ENHC0010557	Remove the Indirect Cost Spreadsheet as a required attachment for FAS agreements in CRM.	FAS
ENHC0010558	Add the "Program Area" field to FAS Program Objects in CRM after it was erroneously deleted.	FAS
ENHC0010576	Prepopulate the "Justification for Non-Competition" field on NIFA Capacity Agreements in CRM to reduce the amount of manual labor needed during agreement creation.	NIFA
ENHC0010577	Remove validations to cancel agreements in CRM to avoid agreements being stuck in "Draft" status.	ALL
ENHC0010579	Modify the NIFA amendment workflow to mirror the existing agreement workflow in CRM to allow for more convenient editing on amendments.	NIFA
ENHC0010587	Offer a blank option for the "Congressional District" field on foreign agreements in CRM as this field is not required for these types of agreements.	ALL

### 1.3. Defects

*Correction of the following defects are included in this release:*

<b>Change Request</b>	<b>Description</b>	<b>Agency</b>
DFCT0010480	Update the legal notice text in Pega with requested verbiage from OCFO and new technical requirements.	ALL
DFCT0010481	Modify the Disable condition for the "Retrieve Application" button to remain active following opportunity closure to allow agencies application retrieval functionality.	ALL
DFCT0010483	Enforce validation of FAA contact information on opportunities in Pega to prevent missing or incomplete data entries.	ALL
DFCT0010485	Correct the authority listed on FAS agreement forms in CRM to "7 U. S. C. 3291" for the cooperative agreement type.	FAS
DFCT0010490	Update the CRM country and region codes to match the entries currently in FMFI.	ALL
DFCT0010492	Enable page navigation for Manage Permissions in Pega to allow users to see all users from an organization.	ALL
DFCT0010504	Add a tooltip for the phone number format on the "Create Contact" screen in CRM to inform users of the desired format.	ALL
