

Technical

Paycheck8 is a Web-based application that you can access through any Web browser.

The application is browser agnostic, accessible using Internet Explorer 7.0 (or higher) and compatible browsers such as Chrome, Safari, Firefox, etc.

Security

Security is paramount to NFC, and Paycheck8 was architecturally designed with security as a primary consideration. Various processes are used to protect the integrity of the data and the identity of the users, and eliminate the risk of outside penetration.
