## Instructions

A course registration form is required for each student. You may list multiple students on one course registration form. The course registration form is required no matter the payment type. If you are paying by credit card you can enter that payment information on the course registration form. If you are paying by SF-182, you will have to submit BOTH the course registration form AND the SF-182. If paying through the Interagency Agreement (IA) process, you will have to initiate the IA AND submit a course registration form.

### A. Course Information

**Course Number:** The course numbers can be found in [NFC University](#). Select the Classes link at the top of the page, locate the course desired, and select the Course Information button for that course. The course number will be located next to the title of the course at the top of the course information page

**Course Name:** The course name can be found in [NFC University](#). Select the Classes link at the top of the page, locate the course desired, and select the Course Information button for that course. The course name will be located at the top of the course information page.

**Course Start Date:** Please enter the first day of the class. If registering for a quarterly course offering, the full schedule can be found on the [Schedule Page](#) in NFC University.

**Course End Date:** Please enter the last day of the class. If registering for a quarterly course offering, the full schedule can be found on the [Schedule Page](#) in NFC University.

**B. Payment Information:** Training courses may be charged to an Agency's credit card, paid by SF-182, or through the IA process. If you are paying by credit card you can enter that payment information on the course registration form. If you are paying by SF-182, you will have to submit BOTH the course registration form AND the SF-182. If paying through the Interagency Agreement (IA) process, you will have to initiate the IA process AND submit a course registration form.

**Treasury Account Symbol (TAS):** This is a required field. TAS-BETCs are used in the Government Wide Accounting (GWA) system to indicate the type of activity being reported, such as payments, collections, intragovernmental, borrowings, etc. Contact your Agency's accounting department for this information.

**Business Event Type Code (BETC):** This is a required field. The BETC is an eight-character code used in the GWA system to indicate the type of activity being reported, such as payments, collections, borrowings, etc. This code must accompany the Treasury Account Symbol (TAS) and the dollar amounts in order to classify the transaction against the fund balance with Treasury. For more information please refer to [Treasury's Business Event Type Code Frequently Asked Questions](#) page. Contact your Agency's accounting department for this information.

**Purchase Order Number (USDA Only):** A Purchase Order number is required for USDA Agencies paying by either SF-182 or IA. If a USDA Agency is paying via credit card, the Purchase Order number is not required.

**Credit Card Account Number:** If paying by credit card, enter the application credit card number.

**Expiration Date:** Enter the expiration date for the credit card provided.

**Cardholder Name:** Enter the full name of the credit card holder.

**Cardholder Phone:** Enter the phone number for the credit card holder. They will be contacted if there are issues processing payment.

**Cardholder Fax Number:** Enter the fax number for the credit card holder.
