FMS CPAIS Personal Property Release 1.17 Results
February 7, 2022

All CRs were implemented successfully unless otherwise noted.

Enhancement	Description	Agency	Release Results
ENHC0010154	Provide users the ability to generate the Physical Inventory report with several sort options (e.g., description, custodian, location, asset ID, serial number) and separate the report by options other than APO, such as custodian. This will make it easier for APOs and custodians to validate their inventory at each location.	ALL	02/04/2022
ENHC0010207	Provide users the ability to report on the historical transactions (e.g., modifications, additions, status changes) for assets within a specific Agency, Org, and/or APO for a specific time period.	ALL	02/04/2022
ENHC0010211	Group the Physical Inventory Report by custodian and APO in order to make it easier for APOs and custodians to validate their inventory at each location.	ALL	02/04/2022
ENHC0010222	Allow reporting on the original acquisition cost for all property related user views. The field will be displayed and sortable by pick list.	ALL	02/04/2022
ENHC0010524	Update earmark reimbursables for assets purchased either partially or entirely to prevent improper expenses and remedy accounting discrepancies between CPAIS and FMMI.	ALL	02/04/2022
