

FMS DATA Act Release Information

October 21, 2021

ENHC	Description	Agency
ENHC0010797	Increase the Disaster Emergency Fund Code (DEFC) field from one character to three characters per DAIM 2.1 for DATA Act reporting. This is mandated by Treasury.	ALL

DFCT	Description	Agency
	There are no defects included in this release.	

FMS Grants Release Information

October 21, 2021

ENHC	Description	Agency
ENHC0010650	Develop a FNS Grantor utility for changing the Effective Start and End Dates on LOC. This update will support the reduction of frequent LAA data correction requests which have no financial posting impact. Access will be limited within the SMEB Branch and not distributed to any other regions/users	FNS
ENHC0010804	Allow editing of the "Partial Payment Request Number for this Request" field on claims in Pega.	ALL
ENHC0010805	Enable Program Managers and AGMOs to change the instrument type when awards are in "Draft" status in CRM.	ALL
ENHC0010807	Update NRCS Award Forms (agreements and amendments) to replace the General Terms and Conditions sections with a link to an external website for easier maintenance.	NRCS
ENHC0010808	Add a display in Pega which will be agency specific due to differing assignment rules on the Additional Details tab that will show agency users who can access the claim.	ALL
ENHC0010809	Create a central workbasket for reports for agency users in Pega based on program assignment as opposed to individual assignment.	ALL
ENHC0010810	Add a Cancel Claim option for NRCS Grants Specialists and AGMOs in CRM.	NRCS
ENHC0010822	Reduce the number of required partners on claims in CRM to minimize the incidence of archived partners and associated issues.	ALL

ENHC	Description	Agency
ENHC0010844	Properly resolve cases with "R" status for reports and claims in Pega to ensure all assignments are removed.	ALL
ENHC0010845	Update the final report Due Date references in CRM to 120 days past the period of performance end date to meet grant regulations in 2 CFR Part 200.	ALL
ENHC0010858	Add a recipient signature deadline to FAS Agreement and Amendment Award forms in CRM.	FAS

DFCT	Description	Agency
DFCT0010643	Prevent the WIC Claim Line Item Status from changing when a subsequent line item is submitted for approval.	FNS
DFCT0010655	Modify the report year generation in CRM to use the report year to generate the Report ID rather than the current system year when the job runs.	ALL
DFCT0010656	Correct known issues to the Mass Partner Replacement Tool in CRM to allow for single partner replacements.	ALL
DFCT0010696	Correct claim printing in Pega to properly display the Fringe Benefit Amounts listed in the "Requested Amounts by Cost Element" section (item 14).	ALL
